CHARITIES

HOLIDAY GIFT FUND

Each year the Onarga Military School Alumni Association members give a Christmas gift to the boys of Onarga Academy. This fund allows us, as a group, to support another group of young men that need our help. Annually, at Christmas, we provide a cash gift to the Onarga Academy to help support troubled youth in their custody. For the past several years, the OMSAA has given a gift of \$20.00 to each boy, however this amount depends on Alumni donations and how much money we have in the gift fund and also on the number of boys the Academy has in residence. It is a very worthwhile program and the association encourages all alumni to be as generous as possible. Donations for the fund are requested each year when alumni dues are payable.

MEMORIAL FUND

This fund was founded to honor the Onarga Military School faculty who did so much to shape us into the individuals we are today. Onarga Academy receives only the interest that is generated by the fund. The core money remains the property of OMSAA.

NOTE: When considering a contribution to the OMS Faculty Fund, think back to your youth, when you were at OMS and remember all of the support we received from people like Colonel Bittinger, Colonel Adams, Major Stienecker, Colonel Frazier, Major Reed, Major Davis, Captain Clark, Coach Ludwick and ALL the other faculty. We now have an opportunity to support and help create good memories for the young men who are at Onarga Academy today.
