Volume 24 – Issue 1 - No. 85 – Spring 2021

Alumni Association Fall 2021 Reunion

Typically, the spring edition encourages all Alumni, former cadets & faculty, and friends to start planning their October pilgrimage to Onarga for the annual Fall Reunion. Well, let's not dampen any expectations this year. Be positive - Are you better off today than you were one year ago? Have you gotten your CoronaVirus Vaccinations? Are your State and/or local area pandemic precautions and situation improved? Let's hope all responses are hopeful. As Herd Immunity increases, our economy expands, and communities gain confidence in relaxing restrictions for in-person gathering at schools, in church, at restaurants and in social & sporting venues, let's be optimistic that by October, quarantine mandates will be over and self-imposed isolation no longer needed. Unfortunately, COVID and its variants are here to stay, so our lifestyle will include continued protective protocol measures to safeguard ourselves and others from infection.

With these points in mind, your Association is scheduling and arranging for an in-person traditional reunion on 9-10 October 2021. Also, a virtual attendance option for the Business Meeting is contemplated. We will publish event and lodging information, and dinner reservation form in *The Onargosy* summer edition (early July) and website, as well as assess the risks and issues at that time for (or against) finalizing arrangements.

Your recommendations, comments, and/or concerns are welcome; please email to any of the Association Officers or Board Members for their further discussion and consideration.

**Admin Note:** The quarterly *Onargosy* is posted on the OMSAA website in the first week of the first month (April, July, Oct, and Jan) of the quarter. For those who have provided the Secretary with a current email address, an electronic notification is sent with a direct Link to the newly posted edition. Currently, 34 Members, who have paid dues but lack a valid email address, are mailed a paper copy to their USPS address on file. If you fail to receive either an email notice or mailing, you can always check the website for the latest edition and earlier *Onargosy* issues.

### Memorial Program - Update

Onarga Academy and your Association are formulating the implementation and ordering process for the Memorial Brick Program. Program status and specifics will be published in *The Onargosy* summer edition.
