# THE ONARGOSY

Volume 29 – Issue 1 - No. 102 – Winter 2025-Spring 2026

Happy New Year - 2026!

This edition highlights events and happenings of the past three months.

### *Annual Fall Reunion*

Our Association's traditional reunion was held **Saturday, 11 October 2024**, on the Nexus-Onarga Academy campus in Onarga, Illinois. Attendees came as far away as northern New York, Arizona, Virginia, Ohio and, of course, from around Illinois. Nexus-Onarga Academy rolled out their Welcome red carpet to host our campus activities. The joint Onarga Lions-Nexus Pancake Breakfast was popular with local residents and a few early riser members. By mid-morning, reunion attendees showed up to gather in the Auditorium's NOA-Wiley Conference Room to greet, meet, & view OMS memorabilia, reflect on OMS days and share stories. At noon, we meandered to the Education Building connected to the Gymnasium for a delicious BBQ lunch hosted by Nexus-Onarga residents. Building tours and a preview of a space for the Flight Simulation Project followed. Our requisite Alumni Group Photos occurred just prior to convening our Annual Business meeting. The Banquet at the Shagbark Country Club was the climax to this day of camaraderie and storied memories for those attending.

## FLIGHT SIMULATION PROJECT

This project is the foundation for a High School Science, Technology, Engineering, Mathematics (STEM) - Based Flight Simulation Group (FSG@) capability. The goal is to introduce students to aviation, engineering, and STEM concepts using affordable and realistic flight simulation technology. The program offers a safe, cost-effective way to inspire career pathways in aviation and aerospace while developing teamwork, leadership, and technical skills. OMSAA provides the \$5000.00 start-up system investment.

Subsequent to the October 2025 presentations to our membership, and in coordination with Nexus-Onarga, the Project has been reframed with an alternative approach that fits the school's current strengths. Rather than starting with a full STEM-driven classroom, we will focus on creating a flight simulation room; i.e., a dedicated space for engagement, skill-building, and exposure to aviation principles, without the extensive structure required for a formal STEM program at this time.

The physical space identified across from the Gymnasium old locker room supports this approach with minimal modification, keeping costs and complexity low while still providing students a meaningful hands-on experience. After some adjustments to the original proposed equipment configuration and operating procedures, this direction offers real value and flexibility — and can support up to three simulators.

The 11-month Implementation Plan began this past November with steady progress toward full capability by 1 September 2026. The project lead is Alumnus **Ken Butterly, OMS '64**.

## OMSAA MEMBERSHIP STATS

As of 31 December 2025, we have **164** identified members; **47** are Life Members; **7** are Life-Plus Members; **13** are currently Paid-Up Members for 2025-2026; **54** are members with past paid dues; **43** are listed alumni or former cadets who have never paid annual dues.

On 1 December 2025, OMSAA donated \$2,200.00 to Nexus-Onarga Academy for the 2025 Holiday Gift Fund for 55 Residents.

As of 31 December 2025, **22** members have generously contributed \$3235.00 to support our OMSAA Holiday Gift Fund.

## Association Gifts

Our organization exists to connect OMS alumni, former cadets & faculty, and to perpetuate the legacy of OMS by supporting the Nexus-Onarga Family Healing mission with monetary donations. We do that by providing an annual \$500 contribution that supports a special dinner for the residents, and contributing a monetary gift for each Resident's Christmas present that Nexus provides. Members should know that these gifts are well-received, and recognized in Nexus-Onarga letters to our Association, their newsletters and Facebook (FB) posts.

## Honor a Classmate, Patron, Teacher - BUY A BRICK

We are thrilled to report that **thirty-five\*** memorial bricks have been purchased for our OMS Memorial Brick pathway since its inception. There is still plenty of room remaining to transform blank bricks into a walkway of engraved bricks. **BUY A BRICK** for yourself, to honor or memorialize a classmate, patron/family member, or a staff/faculty member. What better way than to have your name be a permanent presence on campus? Then, come to the Reunion, or anytime, to see your installed, engraved paver! AND, your purchase is a tax-deductible contribution that directly supports the Nexus-Onarga mission to help young boys prepare for life's challenges.
